

# THE GOOD EARTH ORGANIC C.S.A. 2019 Sign-up form

## So, what is a CSA?!

Community Supported Agriculture, a social and economic alternative to “conventional” industrial food production. ‘Shares’ of the harvest are purchased at the beginning of the growing season from the farm which then provides a weekly distribution of produce grown on the farm to it’s members throughout the season.

The community gains a greater sense of responsibility and a closer connection to their food source, our members receive fresh organic produce every week during the season; while we, the farmers receive up-front financial support for the growing season ahead. Everybody’s happy!

## Here are the details:

C.S.A. shares are picked up at our farmstand on Thursday between 1:00 p.m. and 6:00 p.m or Friday between 10 a.m. and 5 p.m. of each week starting on June 27<sup>th</sup> and will be plenty of vegetables for 1-2 people.
